

Dear Hiring Manager,

I have known Love Joy Montano for more than a year. We work as a team and a classmate during collage. Montano is one of the most dedicated, hardworking and innovative people I've had the pleasure of working with in any capacity. She is also compassionate, kind and never misses the opportunity to help others. Once, while we work in industry of technology, she perform great and have dedication in the projects she handle. Atienza has a passion to do better for her future and has a big dream to become better web developer, the reason she stepped up to her comfort company and take a big step to achieve more. If you have any questions, please feel free to contact me.
